It's a Ring World After All!

Hey! This is my first fanfic, just something my friends and me were doing after band one day, but I thought it would be a good idea for a fanfic, so here it goes.

This a song I made, to the tune of "It's a Small World" with a different part of the song for each difficulty on Halo.

Also- I do not own "It's a Small World", or Halo- they are owned by Bungie and Disney, respectively.

It's a Ring World

(Easy mode)

It's a world of blood,

It's a world of gore,

It's a world were you kill

More & more,

Shoot the shotgun shell,

Send the flood back to hell,

It's a ring world after all!

(Normal mode)

It's a world of jackals
It's a world of grunts,
Hit Elites in the back,
And they spew purple blood,
Get stuck with a plasma grenade,
So you make lemonade,
It's a ring world after all!

(Heroic mode)

It's a world of death
And a world of fear,
You can feel the reaper
Coming ever near,
You gotta save your ass,
'Cause now your bones are glass
It's a ring world after all!

(Legendary)

You get meleed in the back,
You get thrown down a well,
You take a look around,
And surely this must be hell,
In your pants you make poo,
Cause you know that you're screwed,
It's a ring world after all!

Kinda sucks, I know, but you gotta start somewhere. Please review. If I get lots of reviews I might do more of the song- verses for Johnson, mc, and maybe cortana- Please review?
